NEW YORK, MONDAY, AUGUST 10, 1891.

VICTIMS OF HEAT.

The Hot Wave Filling the Hospitals with Patients.

At 2 P. M. the Mercury Was at 90 and Still Soaring.

Hotter To-Day Than on Any Tenth of August in Twenty Years.

The heat is no joke to-day. Nobody seems to think the profanity of the

man of adipose is funny. Indeed, the oppressive closeness of the atmosphere is a very serious thing, as every ambulance surgeon, every dispensary clerk, every hospital physician and every policeman

in the city will attest. The day dawned sultry. Sleepers awoke with a feeling of weariness. Their couches were moist with perspiration, and the air was

heavy with impurities. The sky was all too clear. It was a dull gray. The streets were arid wastes of parched stones. The painted walls of buildings seemed blistering under the rays of a red

Elevated and surface cars were early packed with streaming humanity, for nobody who had cartare ventured to make a

distance greater than four or five blocks. As the day advanced the heaviness of the air was evidenced by the inability of the smoke | years, the age of the signal service. and steam from this busy city to penetrate it. rise and dissipate in the upper atmosphere. By 8 o'clock the whole city was overcast by a thick, heavy mantle, composed of its own

PLEEING PROM THE HEAT. People gave out on every hand under the fearful pressure of heat and humidity, and the ambulances have been busy all day, while the hospitals and dispensaries have had a glut of business to attend to, the patients being people affected by complaints resulting

directly or indirectly from the heat. Among the sufferers were hundreds of babes and little children in the tenement-house districts, where fetid air, bad water and heat combine to make life almost intolerable. Such children are made the special care of THE EVENING WORLD'S COTOS Of Free Physi-

Women and children gathered at Chambers fruit dealers about Washington Market-Street Hospital alone when the hour for exunination and dispensation arrived this mornments brought on by the intense heat. Many people fell by the way in various

the shade of Newspaper Row, was at 83. At 2 r. M. all three were together at po degrees, and Observer Dunn said that the highest notch for to-day would not be more

DRHAM OF A VICTIM. This is two degrees lower than on June 15, the hottest day of the season, but the pres ence of 83 per cent. of humidity in the atmospheers and the fact that the three-knot movement of the air from the south offered no relief to overheated and humidity-saturated New York, served to make the day the most oppressive of the

PARMER DUNN'S PIGURES. The little weather clerk scoffed at the sug-

gestion of heat. Said her "We have had a remarkably cool and pleasant Summer. Only three days before Aug. 8 that you might call hot at all. June 15, 16 and 17 we had 94, 93 and 92 degrees of heat respectively, and that's all the warm weather we've had.

"It has been the cooleat Summer east of the Rocky Mountains that we have had in twenty

"We may get small showers in New York to-night, but to-morrow will be clear and warmer than to-day. This weather extends all over the country east of the Mississippi, and at 8 o'clock this morning, while we had 78 degrees of heat, the register was from 78 to 78 in every city this side of the Father of Waters. West of the Mississippi and over the upper lakes it is 15 or 20 degrees cooler, while they are having a perfect deluge of rain in the Canadas over the lower lakes. Telegraph wires are all down and our

reports are coming from Canadian signal stations by some round-about way that brings them to us two or three hours late. We shall have cooler weather the latter and of the week," concluded the weather sharp, reassuringly.

AUG. 10, 1880, WAS PRETTY HOT, TOO. The hottest Aug. 10 in the history of the The hottest August days were the 13th, in 1881, and the 16th, in 1888, when New York

had 96 degrees on each occasion. but twice in twenty years.

The effect of the heat has been to drive out of town every one who could get away, and the steamboats to Coney Island, Long Branch, Glen Island, Rockaway and other summer resorts have been thronged with people, while every train has carried away parties of picnickers and others fleeing

Captured an Escaped Prisoner. Patrick Dunn, who escaped from the work ouse on Blackwell's Island last week after stealing a row boat, was captured to-day by Policeman O'Connelly and Judge Murray sent him back to the Island.

Reduces Their Imprisonment Herman Schoenberg and Leo Winterfald who were fined and committed for thirty days for disobeying an injunction restraining them from producing "Bie Wilde Jagu," had their terms of imprisonment reduced by Judge O'Brien to-day to fifteen days. They have al-

Insane and Dangerous. Edward H. Going, a carpenter, or 234 East eventy-fifth street, was committed as an insane person in the Hariem Court this morn-ing. Goings's wife testified that he was suf-fering from mental aberration and that he was dangerous.

Gave His Honor for \$6. A FEW OF THE VICTIMS. Philip Wick, a travelling salesman for John Gleason, of 524 West Thirty-fifth Frank Hofelmeyer, trimmings manufactures at 347 Fifth street, was held in Essex Market Court this morning for stealing \$6 from his employer. He pleaded guilty.

Frank Corrigan Remanded. Frank Corrigan, who is accused by his ather, John Corrigan, of shooting him and Boarder Patrick Hughes during a drunken brawl in the Corrigan apartments at 62 West Broadway last evening, was in the Tombs Court to-day, held to await the result of the Injuries.

Simon Traumann, aged twenty-nine, of 17 Commissioner Voorhis's Followers. Police Commissioner Voorhis's followers have organized in the Fifth Assembly District and opened a headquarters at 137 Princo street, near South Fifth avenue. There will be a meeting to-morrow evening for the elec-tion of officers and enrollment of members.

Tried to Shoot the Brakeman. Charles Wiel, a young German, jumped on the platform of a New Haven train at Bridgeort this morning, and when asked to ste uside pulled a revolver and tried to shoot th rakeman. He was brought to Yorkville lourt and held for examination by insanity

A Sneak Thief's Mistake,

Stabbed by an Unknown Boy.

Jersey City detectives went to Brooklyn this morning to arrange for the extradition of Frank Morris, who, when arrested Saturday night for intoxication, was discovered to have an old-style Jersey City police shield, No. 1. It was stolen, with ex-Policeman John Rey-nolds's vest and gold watch and chain, last Thursday.

Highwayman Murphy Pleads Guilty. John Murphy, who tried to rob Cashier Soft \$630, which she was taking to the bank, pleaded guilty to highway robbery in the Court or General Sessions to-day and was sentenced to seven years' imprisonment. His Victim Compelled to Prosecute

THE WORLD'S OFFER! Patrick O'Leary, aged sixty-two, of 2403 econd avenue, who stabbed his daughter.inlaw Lens in the breast on the 5th inst., while she was endeavoring to protect her husband, was held for trial in the Harlem Court this morning. The young woman, who has en-tirely recovered, did not wish to make a com-plaint, but the Judgo compelled her to do so.

Woman Missing.

Chronicles Briefly Drawn from Note- The Water Was Dragged, but Her Body Was Not Found.

Staple's dock at Stapleton, S. I., is known as the "long dock," because it is 1,100 feet Commissioner Gilroy's son John, who has the "long dock," because it is 1,100 feet een spending the last six weeks in making a long. There is generally a cool breeze on this tour of the British Isles, returned to this city dock, and it is the custom of the people to sit out on the pier at night in order to enjoy Looney, and the barge Graycourt, Capt. Al-Curber, moored at the dock yesternight to speak of, because the electric light near Glendale, L. L. is still being vigorously plant, which was destroyed by fire, has not yet prosecuted, but the detectives are very much been rebuilt. Last night, there being no

moon, the dock was very dark. Capt. Looney was sitting on the deck of his strange woman walking up and down the were William Kessler, a Giendale mason, who pier. She acted strangely. He had never worked on the tenement-house in front of guish her features, nor could be tell whether John Maffart, of 85 Waverley avenue,

she was young or old. The woman sat down on one of the stringpieces some distance away from the barge, afternoon and subjected to a rigid examina-suddenly Capt. Looney beard a splasn in the water. The next instant he heard a single cry of "Help!" It was a woman's voice.

Then all was still. He grabbed his lantern and called to Capt. was at once released. Curber. The two men hurried to the end of the dock. It was flood tide and the water was running like a mill race. The two men could see nothing, nor did they hear another with the girl, if not the father of her baby, sound beyond that single cry for help. The strange woman was not upon the pier, and the two captains were convinced that she

had either jumped or fallen overboard After a vain search of five and one-half hours the two captains went to Police Headquarters and notified Roundsman Hugh Can-The police searched the shore with lanterns, but could find no trace of the body. The two captains and the officers then dragged in the vicinity of the dock, hoping they might recover the body, but their efforts

were fruitiess. This morning at daybreak when the tide was low, the dragging was resumed without result. The fishermen think that the flood tide carried the body up the bay, and that it s likely to be cast up somewhere on the north there of Staten Island. A close search is being

whizing past his head.

The bullet struck the big Bohemian in the abdomen, and he toppied over yelling that he was dying and calling for a doctor.

The two friends of Dulko then ran into the street. The officer followed them, leaving Jacobs lying bruised and bleeding under a pool table. Just as he got outside the door he was grabbed by a big man, who pinioned his arms behind him and held him until Officer Farrell a came in.

Believed. 112. T. Williams. ... 30—1
Woodlawn, Eric. Shipmate, Lord Harry and Carroll also ran.
American Pools—Dr. Hasbrouck, \$15; Eric. \$13; Belwood, \$11; Reld. \$14.
Dr. Harbrouck won, with Belwood second and Costa Rica third. Time—1.43%

Selling; five and a half furiongs.
